SPARKLING BREATH

DIRECTIONS FOR USE: Use daily for maximum benefits. Add one tablespoon of Vetworthy Sparkling Breath additive to the water in pets water bowl or as directed by your veterinarian. Give your pet clean water daily. Allow 2-4 days for results. Do not exceed recommended dosage. Individual results may vary.

ENZYMATIC TOOTHPASTE

DIRECTIONS FOR USE: To introduce brushing to your dog, start by letting your dog taste a small amount of toothpaste on the tip of your finger. Begin using your finger to gently rub teeth and gums. Next, add a small amount of toothpaste to the toothbrush and allow your dog to taste. Expose your dog's teeth and gums and gently start brushing. Praise your dog while brushing.
