

FELINE INGESTIBLES

FEATURES & BENEFITS

Recommended to help maintain clean teeth and gum health while freshening breath.

Vet Worthy® products

All our products are veterinarian balanced formulations made with human grade ingredients for superior safety and quality. We conduct testing on both raw ingredients and final products in our laboratory to ensure superior quality standards and label claims. Vet Worthy® Feline Ingestible products include paw gels, soft chews, and more to provide solutions for the common cat needs.

- Cats love the enticing flavors!
- Safe and natural ingredients.
- Made in USA with 100% guarantee!

PAW GELS – Gel formula can be applied directly to the cat’s paw for ingestion.

SOFT CHEWS – Fish shaped soft chew dosages are weight based; one per 10lbs of body weight, not to exceed more than 3 per day.

BREATH FRESHNER – Liquid mint flavored water additive is mixed in cat’s water bowl to help control plaque and tartar build-up.

SALMON OIL – Oil formula supports a healthy coat and skin and should be administer directly with cat’s food.

ANTI-DIARRHEA – Liquid solution with Kaolin and Pectin to help relieve upset stomach and firm stool in cats.

MILK REPLACEMENT – Powder formulation made with colostrum for kittens, pregnant, lactating, elderly or recovering cats.
