

FIRST AID

FEATURES & BENEFITS

Recommended to support minor wounds, itching, bleeding and other first aid type needs.

Vet Worthy® products

All our products are veterinarian balanced formulations made with human grade ingredients for superior safety and quality. We conduct testing on both raw ingredients and final products in our laboratory to ensure superior quality standards and label claims. Vet Worthy® First Aid products include itch relief sprays, wound care sprays, powders, and paw pad protection wax for dogs.

Gentle formulas for fast relief

Safe & natural ingredients

Made in USA with 100% guarantee!

- ANTI-ITCH SPRAY** – Liquid spray with Melaleuca Tea Tree Oil soothes and heals irritated skin by providing fast relief for itching.
- WOUND SPRAY** – Antimicrobial liquid with Benzalkonium Chloride spray heals cuts and kills topical bacteria, ringworm and viruses.
- PAW PAD SHILED** – Wax paw pad protection to help prevent pad injury and to condition paws of dogs.
- STYPTIC POWDER** – Powder with Ferric Subsulfate to help stop bleeding for minor cuts and nail clipping for dogs.
- HYDROCORTISONE SPRAY** – Liquid medicated spray with Hydrocortisone Acetate to relieve minor itching and skin irritations.
- LIQUID BANDAGE** – Liquid solution with Polyester-5, DMDM Hydantoin to seal skin for minor cuts. Bandage wears off as skin heals.
- ANTI-DIARRHEA** – Liquid solution with 8.0% Kaolin and 0.8% Pectin to provide relief of diarrhea and discomfort in puppies and dogs.
